

POLICY 2010 Plastic

Issued January 1, 1994

Plastic

Executive Branch Departments and Sub-units which purchase materials in plastic containers of eight ounces or more shall insure that (a) the containers are labeled to show the plastic resin used to produce them, and (b) for any container (glass, metal, plastic bottles, cans, jars, etc.) connected to another container by a separate holding device, the holding device is constructed of plastic that is degradable and bears a distinguishing symbol.

Public Act 414 of 1988.

Public Act 145 of 1988.
